About Sicer

Sicer Elevator Co., Ltd. is a comprehensive elevator manufacturing service provider engaging in the development, manufacturing, sales, installation, maintenance and modern renewal and transformation of elevators, and holds the national highest-level production license for producing special equipment (A1). Sicer Elevator successfully listed on the A-share market of Shenzhen Stock Exchange in September 2021 (Stock Name: Sicer; Stock Code: 301056), ranking among the top 10 Chinese elevator manufacturers.

For nearly 20 years, Sicer Elevator has always taken "all for safe reach" as the core philosophy, concentrated on two superior fields of core technology and elevator safety and built the whole industrial chain service platform and intelligent industrial new eco-system of the elevator industry. Sicer Elevator has established a long-term strategic partnership respectively with China State Construction Engineering Corporation, China Railway Engineering Corporation, China Communications Construction, China Metallurgical Group Corporation, Shimao Group and many other famous real estate enterprises. Sicer Elevator has been one of the top 10 elevator suppliers of governments in China for ten consecutive years and become a supplier of central government organs in centralized procurement. Its products have been exported to over 80 countries and regions. SRH has become a well-received elevator brand in Russia, Australia, Turkey, Mexico, Brazil, New Zealand, UAE, India, Egypt, Iran, Bangladesh, South Africa and other countries and regions.

Science and Technology Leading Advance with Glory

- Top 10 Chinese elevator manufacturers for five consecutive years
- Products are exported to over 80 countries and regions
- Selected as one of the top 10 elevator suppliers in national government purchase for ten consecutive years
- The core technology won the Science and Technology Advancement Award of Zhejiang Province
- Presided over and participated in the drafting of over 40 national and industrial elevator standards
- Won the Engineering Award of Elevator World; included on the list of Shanghai China Records
- Developed worldwide and purchased a modern German elevator manufacturing factory
- A five-star enterprise undertaking social responsibility in China

Strength

Sicer Elevator with globalization strategy

- **Globalization goal**
To become the service provider of global leading safety elevator
- **Platform transformation**
Transition from a manufacturing enterprise to a customized service enterprise
Transition from a technology transformation to a technology platform
- **Intelligent manufacturing**
To become the industry leading flexible customized intelligent manufacturing platform
- **Digital service**
To build the big data cloud service platform and make the data drive the service improvement

GLOBAL MARKETING SERVICE NETWORK

With the dream of building a world-famous Chinese brand, Sicheer Elevator has actively exploited overseas markets according to the Belt and Road initiative and become a more competitive Chinese brand while further fostering the domestic market.
